Dear Valued Members

NOTICE OF MEMBERSHIP FEE REVISION EFFECTIVE 1 AUGUST 2018

For over 70 years, Metropolitan YMCA (MYMCA) is dedicated to be a part of community building with a focus in the personal development of youths, improving individual health and well-being. As a valued member of the association, you are a part of the global YMCA network – the longest standing and largest youth organisation around the world.

MYMCA operates its social enterprise through Hospitality, Childcare and Programme services for the sustainability of its core community programmes namely M.Y Manna, M.Y Big Sweep, M.Y Toy Library, M.Y YOUTHsync, M.Y Mentoring and M.Y Internship. Your participation with the association could well grow from a registrant of an enrichment activity and/or hospitality patronage, to being an MYMCA ambassador by acts of volunteerism and service learning opportunities through our programmes.

The association is heartened by your years of unwavering support and partnership, and look forward to your active participation so that we can continue to plough and expand our outreach capacity.

To help us defray inflationary costs, sustain our services and upkeep our refreshed facilities, we have nominally revised our membership fees and this revision will commence with effect from **1 August 2018**. Please refer to Annex A for more information.

For existing membership which is due for renewal in 2018, the current renewal subscription fee will still be applicable provided that the renewal fee is paid no later than **31 July 2018**.

We trust that your journey with us has been positive thus far and look forward to your forthcoming referrals so that they too can be a part of our life-changing stories in establishing impact through community partnerships.

For more information and to know how you can be an MYMCA ambassador to support our cause in our M.Y programmes, please visit www.mymca.org.sg or contact Membership at 68398359 and 68398367. For donations, please contact our Resource department at 68398363.
